

## AFEVO

Marine Certified

### COMPONENT COAXIAL SPEAKER SYSTEMS

**200 WATTS MAX ■ 80-100 WATTS RMS**

- Certified Marine Grade Premium Speaker System designed for marine and powersports enthusiasts
- 2 way component speaker with bridge mounted tweeter
- 1" (25mm) Titanium alloy dome tweeter provides clean crisp highs
- Injection molded, UV treated, MICA filled polypropylene cone
- High-excursion Butyl rubber surround for superior bass output
- Integrated sealed crossover network with plated terminals
- Waterproof, encased, ceramic Ferrite magnet motor structure with copper ring for high frequency linearity
- Fiber reinforced, UV Stable injection molded composite frame and grill
- Built in RGB LED cone lighting offers lighting customization
- 48" speaker wire and RGB LED leads included

Developed for extreme environments

#### AF8EVO Specifications

35mm voice coil  
 Peak Power Rating: 200 watts  
 RMS Power Rating: 100 watts  
 Frequency Response: 40-20KHz  
 SPL: 93dB  
 Impedance: 4 ohms  
 Depth: 3.03" (77mm)  
 Cutout: 7.0" (178mm)  
 Outside Diameter w Grill: 8.5" (216mm)  
 Outside diameter w RGB light ring installed: 9.125" (231mm)

#### AF69EVO Specifications

35mm voice coil  
 Peak Power Rating: 160 watts  
 RMS Power Rating: 80 watts  
 Frequency Response: 40-20KHz  
 SPL: 93dB  
 Impedance: 4 ohms  
 Depth: 3.03" (77mm)  
 Cutout: 6.18" x 8.86" (157 x 225mm)  
 Outside Diameter w Grill: 10" x 7.25" (254 x 184 mm)  
 Outside dimensions w RGB light ring installed: 10.75" x 8.125" (273 x 206mm)

#### AF65EVO Specifications

30mm voice coil  
 Peak Power Rating: 160 watts  
 RMS Power Rating: 80 watts  
 Frequency Response: 45-20KHz  
 SPL: 90dB  
 Impedance: 4 ohms  
 Depth: 2.4" (62mm)  
 Cutout: 5.2" (132mm)  
 Outside Diameter w Grill: 6.5" (165 mm)  
 Outside diameter w RGB light ring installed: 7.25" (184mm)

PC/ABS waterproof construction with pre-terminated RGB and speaker leads

Optional white speaker grills available

Optional patent pending LED RGB speaker light rings. Easy snap on installation around speaker. Available in 6.5", 6x9" and 8" sizes.
