Marine Certified

AFEVO

PURE POWERSPORT TOWER SPEAKERS

- Certified marine grade tower speaker system
- 100% hand laid fiberglass construction
- High gloss gelcoat available in black or white finish
- Sleek compact design
- Includes EVO powersport speakers with built in RGB LED lighting
- Optional Patent Pending RGB LED light rings

WB8EVOPRO & WB8EVOPRO-RGB Specifications

American made 100% fiberglass enclosure
High gloss gelcoat finish
Available with or without clamps
Includes waterproof cable grommet
Includes 8 ft of six conductor RGB/Speaker cable
Custom cable lengths available
UV treated Kevlar speaker cone
Ultra lightweight Neo Magnet
1" Titanium tweeter
RGB LED cone lighting
SPL: 96db
Impedance: 4 ohms

WB8EVO & WB8EVO-RGB Specifications

American made 100% fiberglass enclosure
High gloss gelcoat finish
Available with or without clamps
Includes waterproof cable grommet
Includes 8 ft of six conductor RGB/Speaker cable
Custom cable lengths available
UV treated Polypropylene speaker cone
1" Titanium tweeter
RGB LED cone lighting
SPL: 93db
Impedance: 4 ohms

WB69EVO & WB69EVO-RGB Specifications

American made 100% fiberglass enclosure
High gloss gelcoat finish
Available with or without clamps
Includes waterproof cable grommet
Includes 8 ft of six conductor RGB/Speaker cable
Custom cable lengths available
UV treated Polypropylene speaker cone
1" Titanium tweeter
RGB LED cone lighting
SPL: 93db
Impedance: 4 ohms

WB65EVO & WB65EVO-RGB Specifications

American made 100% fiberglass enclosure
High gloss gelcoat finish
Available with or without clamps
Includes waterproof cable grommet
Includes 8 ft of six conductor RGB/Speaker cable
Custom cable lengths available
UV treated Polypropylene speaker cone
1" Titanium tweeter
RGB LED cone lighting
SPL: 90db
Impedance: 4 ohms
